

Kangarilla Road Tasting Notes

2022 Kangarilla Road Pinot Grigio

2021 experienced a wet winter, but also a mild spring and summer going into Vintage 2022. This created superb ripening conditions from fruit set and flowering through veraison and ripening. The resultant wines have an ideal balance of sugar ripeness, natural acidity and texture.

The 2022 whites are showing pretty aromatics and natural acidity.

Total Acidity g/L	5.68
Alcohol %	13.0
pH	3.22
Bottling Date	October 2023
Winemaker	Kevin O'Brien

There is a delightfully floral nose with jasmine the star player.

On the palate there are hints of pink lady apples, white nectarines and a citrus tang with glimpses of spicy apple cake.
