

Kangarilla Road Tasting Notes

2024 Kangarilla Road Adelaide Hills Chardonnay

A lingering summer ensured minimal disease and optimal ripening conditions for Vintage 2024 for the Adelaide Hills. However, conditions during flowering severely impacted the season outcome as poor set generally resulted in diminished crops. Summer was unusually cool and dry allowing long even ripening for the grapes to develop intense aromas and flavours

The fruit was sourced from a single Adelaide Hills vineyard. Our Chardonnay is a fresh modern Australian style, citrus driven and complemented by the subtle use of new French oak. The oak component is unobtrusive yet critical to the overall aroma and texture.

Total Acidity g/L	6.95
Alcohol %	12.5
pH	3.30
Bottling Date	September 2024
Winemaker	Kevin O'Brien

Lively fresh aromas of nashi pear, custard apple and lychee demand your attention. Delightful appearances of perfumed lemon myrtle, sweet white peach and glimpses of Madagascar vanilla extract lift and enhance.

On the palate it is all about the loveliness of all things lemon meringue pie combined with notes of lemon sherbet, ripe candy melon and slightly herbaceous lemon thyme.
